Description

During testing 'Email ID' field we can notice that label 'Email ID' is not displayed correctly. It take place when validation message is shown.

Steps for reproduction:

1. Open page <https://demo.guru99.com/>
2. Click in 'Email ID' field and leave input field empty

Actual result:

The display of 'Email ID' label changed.

Expected result:

The display of 'Email ID' label shouldn't be changed during display of validation message.

Environment:

Testing (Development)

Version 0.0.1
