Description

We don't have any information which fields are mandatory when we fill in 'Add New Customer' form.

Steps for reproduction:

1. Log in to the application as UserID: mngr494307
2. Click 'New Customer' section

Actual result:

The 'Add New Customer' form is displayed but there are no information which fields are mandatory.

Expected result:

There should be information which fields are mandatory. For example mandatory fields should be marked with '*'.

Environment:

Testing (Development)
