Description

After edistion of address, city and state there should be display message confirming the changes but other message is displayed.

Steps for reproduction:

1. Log in the apllication as UserID: mngr494307
2. Click 'Edit Customer' section
3. Enter id of an existing customer: 23139 and click 'Submit' button
4. Change PIN and mobile number using correct data
5. Click 'Submit' button

Actual result:

Changes are saved correctly but the message "No changes made to Customer records" is displayed.

Expected result:

The message "Changes have been made in the client's documentation" should be displayed.

Environment:

Testing (Development)

Version: 0.0.1
